Welcome to the finals of the “Soul of Elvis” competition, in which our three competitors, Faith, Lance and Hope, representing Elvis's spirituality, his dynamism and his purpose in performing, will battle it out for a chance to perform in Graceland!

Tensions run high and tempers flare as there is much at stake for our performers, who all have a dream of being the next *Soul of Elvis*.

Please note:

The actors will be performing amongst the audience, and will be arriving from different areas of the venue, so pay close attention, and be prepared to do some head swiveling.

It would also be appreciated if you would keep the performance areas clear, of both objects and people.

Please put cellphones on silent.
